More Babies!

Grace

The Evan David Foundation is thrilled to announce the **birth of babies Grace and Jacob!** Jacob was born in December, 2014, and Grace was born in February, 2015. Their parents are obviously thrilled!

Jacob

Baby Grace's parents sent us a note saying:
"We would like to express our sincere gratitude to EDF for the thoughtful gift that helped us become

proud new parents to our baby, Grace. This has been a costly and long journey, and it gives us comfort to know that someone out there has a caring heart to dedicate the time and money towards people in need of reproductive medical assistance. Thanks again to EDF!"

And a big THANK YOU to all who gave so generously in 2014! You should have received a Donation Letter from EDF at the time of your donation. If you didn't receive it and need one for your 2014 Income Taxes, email EDF so that we can send you a copy. The email address can be found on the EDF website at EvanDavidFdn.org.

This year our **Family Fun Day** will be held at Can-Do State Park on Sunday, May 31st, from 11:00-1:00. This is the weekend after Memorial Day Weekend. Can-Do Park is located at the corner of Foulk Rd. & Weldin Rd., accessed by the Rt. 202N exit of I-95. Like last year, we plan to have a picnic lunch, face painting, and a clown who makes balloon animals. Plus, even more "EDF babies" and their families will be in attendance, so put it on your calendar!

Our goal for 2015 is to provide financial assistance to 4-5 more women so that they can receive the fertility treatments they need to become pregnant. Under the U.S. Tax Code, the Evan David Foundation is a 501(c)(3) charitable organization, so any donations we receive are tax-deductible as stated in the Code. Donations can be sent to:

Finally, if you know of anyone who could benefit from fertility treatment but needs assistance with the high out-of-pocket costs associated with the treatments, or if you know anyone who might wish to help us with this worthy cause, please refer them to our website at EvanDavidFdn.org.
